

Boditalkescort[™] by OhMiBod[™]

Be Heard and Not Seen ;-)

- Discreet, fun and hip cell phone activated bullet vibrator.
- Activated by calls made to or from your cell phone when in close range.
- Cell signal triggers a patterned vibrating sequence.
- Vibrator remains active for entire length of the call.
- Small white controller with belt clip allows for easy access to vibrate controls.
- Two vibrators in one... Can be used without a cell phone too.

Cell Mode

Easy to use...keep your cell phone handy and in close range. Vibrator will begin a patterned vibrating sequence when a call is made or received. It's super simple.

Stand-alone Mode

Use the large circle button to choose from 7 stimulating vibration patterns. Simply push the circle button to cycle through your choice of vibrations.
