

Boditalk[™] by OhMiBod[™]

Where Your Lover's Call Makes Your Boditalk

- Fun and hip cell phone activated vibrator.
- Activated by calls made to or from your cell phone when in close range.
- Cell signal triggers a 3 pattern vibrating sequence.
- Vibrator remains active for entire length of the call.
- Two vibrators in one... Can be used without a cell phone too.

Cell Mode

Easy to use...keep your cell phone handy and in close range. Vibrator will begin 3 pattern vibrating sequence when a call is made or received. It's super simple.

Stand-alone Mode

Use the arrow button to choose from 7 stimulating vibration patterns. Simply push the arrow button to cycle through your choice of vibrations.
